UPASANA ENTERPRISES

एन. एस. आई. सी.

NSIC
ISO 9001 : 2008

UPASANA ENTERPRISES an **ISO Company** manufacturing indoor / outdoor led luminaries and solar power products has launched a new series of patented **LED** product called **T-BULB™**. The tube light housing with adapter at its centre can fit easily in the existing b-22 holder. It provides uniform light distribution being soothing for eyes. It is the perfect replacement for the standers 36 watt fluorescent tube as well as led bulbs & CFL's. **T-BULB™** can save energy costs by up to **60-70 %** and the return on investment of less than one year.
